IDENTITY CRISIS (part 4)

On May 31st our nation celebrated “**Memorial Day**” as a tribute to the men and women of this great country who sacrificed their lives that we may enjoy the freedom and liberties we most often take for granted. Unfortunately, far too many of her citizens have little regard, nor respect for their great sacrifices. It happens to other nations across the globe, as well as America. Christianity is just exactly like that.

Why is America, a nation of once great liberties, freedoms, and prosperity now floundering? Isn't it because we've lost our true love, which was once founded on the Word of God. The nation of Israel is no different. Look at their history and you can see how far, and often, they have fallen. Each and every time it took longer and longer for them to recover. Some nations never fully recover. I remind you of the great City of Babylon long ago, Egypt, and the great Roman Empire, as just a few examples. These places were huge on the world stage, for a time. Not any longer. Identity conflict lead to their downfalls. And their destruction was complete.

What about you Christian? What will take you down? Do you think it is possible to stand when you find yourself alone? The disciples found themselves alone after Christ was crucified; terrified and bewildered. Isn't it ironic that Jesus died alone. There were no followers eagerly submitting themselves to the same treatment and ultimately to be crucified with him. Thankfully, Jesus had prayed for them. The Holy Spirit was sent for this very purpose, and oh what a marvelous job He did. After he came there was no more identity crisis. They would be encouraged, strengthened, and unified as a force that the gates of hell would have to reckon with.

The indwelling presence of the Holy Spirit fully equipped these weak and scared men and women of God and made them mighty men and women of valor. The Spirit of God gave them the spiritual tools they needed to be victorious in **EVERY** situation. Boldness, oh yes, and so much more. It took the entire City of Jerusalem by storm. Everybody noticed, the religious leaders, ordinary folks, visitors from other countries, everyone. Filled with the Holy Spirit, Peter's message pricked the conscience and hearts of those who had Jesus crucified, while everyone else wanting to know what they should do. Peter then gave the very first '**altar call**' and 3,000 people were saved that very first day. There would be countless others during the days that

followed, months and years that would follow. Up until the in-filling of the Holy Spirit, the city and nation were without direction.

Your cities, country, and nations are in great peril from the gates of hell, just like America. Satan is shrewd and a respectable adversary, but he is no match for the indwelling presence of the Holy Spirit in your life.

If you are not 'filled' with the Holy Spirit, with the evidence of speaking in other tongues, you are as weak as the disciples were before the day of Pentecost, then you need to be.

Scrip... Read the 2nd Chapter of Acts

If this message has pricked your heart and you too would like to experience what the multitudes of Jews who were "Born Again" on that glorious day, then here's how.

It says in Romans 10:13 KJV... For whosoever shall call upon the name of the Lord shall be saved.

PRAYER OF SALVATION God loves you—no matter who you are, no matter what your past. God loves you so much that He gave His one and only begotten Son for you. The Bible tells us that "...whoever believes in him shall not perish but have eternal life" (John 3:16 NIV). Jesus laid down His life and rose again so that we could spend eternity with Him in heaven and experience His absolute best on earth.

If you would like to receive Jesus into your life, say the following prayer out loud, wherever you are, and mean it with all your heart. Heavenly Father, I come to you admitting that I am a sinner. Right now, I choose to turn away from sin, and I ask you to cleanse me of all unrighteousness. I believe that your Son, Jesus, died on the cross to take away my sins. I also believe that He rose again from the dead so that I might be forgiven of my sins and made righteous, through faith, in Him. I now call upon the name of Jesus Christ to be the Savior and Lord of my life. Jesus, I choose to follow you and ask that you fill me with the power of the Holy Spirit. I declare that right now that I am a child of God. I am free from sin and full of the righteousness of God. I am saved in Jesus' name. Amen.

Rock Solid Truth International - Orphan Home – Nairobi, Kenya/ Africa

It is with great pleasure to announce to all of our friends across the globe that we now have recently embarked in another area of faith that we had long considered.

We have joined with our first Orphan Home located in Nairobi Kenya in Africa. The director of the Orphan Home is Cynthia Achieng. Cynthia and her husband have a small orphanage consisting of 15 children, of various ages, who are housed, cared for, and fed in their home. Because they have a heart for these homeless children, they provide for these children out of their own financial resources, which, as you can image, is difficult best. Rock Solid Truth International will be sending money to help this Orphan Home with the purchase of food stuffs to augment what Cynthia and her husband are now providing.

Feeding hungry people and children is a critical part of our end-time mission. God has brought these dear people and children into our lives so we can impact them in a positive way. Feed them, minister to their spiritual needs, then watch and see what God can do with our efforts.

Rock Solid Truth Int. is attempting to do great things in Africa, and across the globe, as the Lord directs. We are looking for people, just like you, sustaining partners, who have a heart to help us in our efforts. Won't you join us?

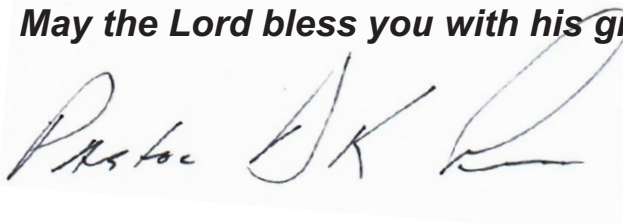

I invite you to join with us financially in these efforts. Your contributions are vital to this ministry. We give praise to the Lord for the opportunity to serve him in this manner.
